"The New Standard of hair care!"

kevinkirkpro.com

The Culture of Kirk Pro

The culture of KirkPro is a culture of success and of winning. Kirkpro founder and CEO Kevin Kirk has a strong history of winning and success, from owning and operating one of Birmingham, Alabama's top of salons, to winning Bronner Brothers Hair Battle four times, and being a participant on The Look Allstar tv show featuring the nation's best in the hair industry. Kevin's body of work depicts the high standards and principles by which he lives. As a result of Kevin's principles and high standards of excellence he created KirkPro "The New Standard in HairCare". Kevin created KirkPro to match his ability to perform at high levels on any client no matter race, ethnicity, or texture of hair. He believes with the right product, supporting the right techniques, with the use of right tools there is no limit to what you can create.

COLOR COURAGEOUSLY

**COURAGE ISN'T THE ABSENCE OF FEAR
BUT THE ABILITY TO DO IT IN THE MIDST OF IT.**

TRI-FACTOR COLLECTION

The Power of 3 Proteins to give
hair optimum strength,
moisture and conditioning.

Tri-factor Protein Crème Relaxer is the latest permanent hair straightening technology. Tri-factor Relaxer works with the power of 3 proteins to give your clients stronger, fuller, longer and manageable hair. Tri-factor protein Crème Relaxer is the answer to a healthier sodium hydroxide relaxer system.

TRI-FACTOR TRI-FACTOR PROTEIN CRÈME RELAXER

**TRI-FACTOR
SOOTHING BASE**

A superior base designed to protect the scalp during the relaxing process. Tri-Factor soothing base is for clients who are getting relaxers or have dry scalps, hands and feet. It protects the scalp during the relaxing process. Tri-Factor soothing base provides protection and relief for normal to dry itchy scalps; is used as a hot oil treatment; is an excellent treatment for dry hands and feet.

TRI-FACTOR PROTEIN ADDITIVE

Tri-factor Additives can be used with Tri-factor Protein Crème Relaxer to increase overall health of hair. Can be used in conjunction with permanent hair color and lighteners to aide in keeping the hair strengthened and conditioned. The Protein Additive also can be used as a protein reconstructor conditioner application as well.

TRI-FACTOR SHAMPOO

Prevents 3 ways of color fading — restores and strengthens weak bonds of the hair and enhances keratin smoothing systems. Tri-factor is a gentle cleansing color guard formula shampoo, free of color removing sulfates and restores strength and moisture from loss in color and chemical services.

TRI-FACTOR PROTECTIVE OIL COMPLEX

A conditioning oil that prevents over processing, split ends and brittleness during pre lightening, color or chemical services. A mixture of natural oils that mimic the natural composition of hair and sebum. This oil will add luster and moisture to your hair and vibrancy to your hair color.

TRI-FACTOR CONDITIONER

Gently detangles while replenishing moisture and strength to your color treated hair. Contains nourishing Carbocysteine and Wheat Protein, Argan oil, Panthenol, vitamin E and antioxidants, protecting against UV rays, free radicals and thermal use, preventing the leading causes in color fading.

TRI-FACTOR UP KEEP PLUS SPRITZ

Tri-factor Firm Hold
This humidity resistant spritz has a medium to firm hold when curling, spiking or sculpting updos. It gives the hair an amazing shine and will not stick or flake. Up Keep Plus dries quickly to give instant hold. Provides great thermal protectant for the hair during the flat ironing and curling process.

TRI-FACTOR UP KEEP SPRITZ

Tri-factor Humidity Resistant • Great Shine • Heat Protection
This humidity resistant spritz has a soft medium hold. It gives the hair a radiant shine and great hold strong enough to hold any style but soft enough to comb through the hair. Provides great thermal protectant for the hair during the flat ironing and curling process.

TRI-FACTOR SILK PRESS SPRAY MIST

Silk Press Spray Mist is a leave in conditioner designed to strengthen, silken, detangle, and make your hair humidity resistant. Silk Press Spray Mist leave in conditioner contains a complex mix of moisturizing conditioners and amino acids that will offer instant hair repair.

Silk Press Spray Mist will smooth your cuticle layer down while locking out humidity. It will ensure maximum life for your silk press services. It is the perfect weightless leave in conditioner that offers UV protection, thermal heat protection, and condition for the hair.

TRI-FACTOR SILKENING TREATMENT

Designed to condition, soften, moisturize and strengthen damaged hair. Seals the cuticle and protects against humidity without altering the hair's natural curl pattern. Recommended to be used after any chemical service such as relaxers and hair color services.

TRI-FACTOR MOISTURE LOCK SPRAY

Moisture Lock is a leave in conditioner designed to moisturize, detangle, soften, and add shine to your hair. Moisture Lock leave in conditioner contain a complex mix of moisturizing conditioners that wil give your hair instnt moisture and softness. Moisture Lock will give life, body, and shine to dry, dull, and coarse hair. It will ensure maximum conditioning to your natural hair by helping to maintain the proper balance of moisture in your hair, Moisture Lock is the perfect weightless leave in conditioner that offer UV protection, thermal heat protection, and conditions your hair..

Curl butter gives amazing shine! It protects your hair from heat while defining your hair while you sculpt your style. Curl butter is a must have product for short hair style with curls or spikes. Curl butter is great to create shiny, silky curls in medium to long hair.

TRI-FACTOR CURL BUTTER

Mild Hold • Heat Protection • High Shine+Moisturizes • Softens and Control • It is a versatile styling cream that supports separation, volume, texture, and shine. Control cream protects against heat and smooth the hair cuticle. It gives the hair total manageability with out weighing it down. Control Styling Cream leaves the hair soft and conditioned. Control is so versatile that you can use it on your soft flowing body hair styles, and you can use it to start and maintain locs and twist styles. It gives you maximum.

TRI-FACTOR CONTROL

**LOSERS MAKE EXCUSES,
WINNERS MAKE A WAY.**
